Have you made a pledge for the 2010 Annual Diocesan Appeal? There is still time. A gift to the ADA, large or small, can go a long way. Consider a one-time gift or a monthly pledge for six to eight months. There are envelopes in the pews. Every dollar raised to make our goal supports important diocesan ministries, and every dollar raised over our goal will be kept in the parish. To those who have pledged, thank you! Below is an updated ADA report:

We had a spirit filled week here at Holy Family and St. Mary's! First, we celebrated the Sacrament of Confirmation on Thursday evening, April 29th. Then on the morning of May 2nd we celebrated First Communion. Both Sacraments were spirit filled celebrations. I want to thank all those who helped prepare our students the past few years: parents, grandparents and godparents, teachers and mentors. Words of thanks to all who helped prepare for both celebrations, including Carroll Catholic Teachers and CCD teachers, Sister Margaret, the choir and musicians, Altar Servers, Art and Environment Committee and those who helped with the reception at Carroll School.

Thanks to one and all for two very prayerful celebrations!

Carroll Catholic School Successfully Completes North Central Accreditation Process!!!

On April 29th, the administration, staff, stakeholders, and students of Carroll Catholic School were evaluated by a Quality Assurance Review Team. As a result of this intense all day visit, we were notified that we had passed the criteria necessary to be accredited by N.C.A.

The North Central Accreditation Association is a nationwide organization that has over 13,000 members ranging from universities, colleges, high schools, and grade schools. It is an educational research base organization that provides guidelines called standards that schools seeking to become members must study and follow. For the past two years our school has worked extensively to self-evaluate and adopt these research based standards in order to establish a systematic process for school improvement.

We are excited to be members of this prestigious organization. **We are the only public and/or private school in Lincoln to have received this honor!!!** This is another example of the commitment of our dedicated staff in providing the highest quality education possible. We will again be reviewed in five years. In the meantime, we will be following the new school improvement processes that we have put in place and continue to strive for academic excellence at Carroll Catholic School.

Lastly, we would to express our sincere thanks to parents and parishioners who served on committees, answered surveys, and supported us through this demanding process.
